## Events

Races are offered for the categories and boat classes set out in the table opposite, plus Explore 4x+ will be raced in an Open category throughout the day.

## Entries

Entries to be made online via BROE2 – excepting the Explore Event. BR day tickets can be used.

Enquiries for the Explore event may be made to the Entries Secretary at: [nigel@rammingspeed.co.uk](mailto:nigel@rammingspeed.co.uk)

Entry fees are £13.50 per competitor.

Entries close 12.00 noon Thursday 22nd August.

Entries will close before this time if individual events or the overall competition are oversubscribed – approximately 400 entries – so please enter as early as possible.

Entries not paid by the close of entries will be rejected. Entries withdrawn after the close of entries will not be eligible for a refund except in extenuating circumstances.

The draw will take place at 18:00 on Saturday 24th August virtually.

## Format

The regatta is divided into 10 divisions to help you plan your day. Doubling and trebling up is encouraged. However, crews including coxes and equipment including blades cannot row or be used twice in the same division or used in adjacent divisions. Please identify any equipment sharing on BROE2.

Events may be banded depending on the number of entries and/or the range of points and may be moved to another division if necessary to fit in with the overall programme. We may also move crews between categories and apply Master's handicaps where appropriate.

## Documents

Competition documents including the draw, competitors' instructions, the regatta circulation plan and safety plan will be published on the regatta web pages and emailed to participating clubs.
