

North of England Sprint Rowing Championships Explore Event

Hollingworth Lake Saturday 31st August 2024

Introduction

The Explore event at Hollingworth Lake Regatta is designed to give Explore Crews participation in a full-scale regatta managed under British Rowing Rules of Racing. It is aimed at beginner rowers and more experienced recreational rowers who do not train regularly for fine boat racing under British Rowing Rules of Racing. The event will be under British Rowing Rules of Racing wherever appropriate and the rules and conditions explained below.

The event is not managed via BROE to give recreational rowers the opportunity to compete at a regatta.

Boats and Blades

Racing will take place in stable coxed quadruple sculls with boats and blades provided by Hollingworth Lake Rowing Club. Coxes must bring their own life jacket.

Format

Racing will take place over a 500 metre, 3 lane straight buoyed course with a stake boat start. The event will be Open that is for men, women or mixed crews.

The format of the event will be a conventional "knock-out" with heats of either two or three crews with the winner only progressing to the next round. The last race will be the final. How many heats there are prior to the final will depend on the number of entries. Therefore, crews need to be aware that they may only get one race. If the programme allows; further races for the Explore Crews may be added, but this is not guaranteed.

Qualification Rules

All rowers must be over 18 years old, coxes may be under 18.

All rowing team members must hold either Race or Row membership of British Rowing.

Crew members must not have a Personal Ranking Index higher than 1. They cannot be an event winner (sculling or sweep) at an affiliated regatta at the time of entry, but they can have old-style points if returning to rowing after a break.

Coxes can have rowing or coxing points and can have had wins at regattas.

Crews

Each club may enter from four to six crew members plus a cox for one crew and changing the crew composition from these declared members is allowed between races. However, only the members of a crew winning the final will receive medals.

Coxes for a team need not be from the team's own club.

Teams must wear a uniform kit or colour; preferably a main colour of their club.

Prizes

Regatta medals will be provided to the winners of the final and points will be allocated to the crew's club towards the Senior & Master's Victor Ludorum.
